THE CHICAGO ATHENAEUM ANNOUNCES **THE 2015 INTERNATIONAL ARCHITECTURE AWARDS** **DEADLINE DECEMBER 1, 2014**

DUBLIN, IRELAND (SEPTEMBER 1, 2014). . . The Chicago Athenaeum: Museum of Architecture and Design in association with Metropolitan Arts Press Ltd. and The European Centre for Architecture Art Design and Urban Studies, are organizing the next edition of **The International Architecture Awards®** as a way in which to honor the most outstanding contemporary architecture designed and built throughout the world.

The program is organized and curated by the Finnish architecture journalist and critic, Christian Narkiewicz-Laine.

Last year, hundreds of submissions for this Awards program were received from the best and most renowned design firms in Europe, Asia, Africa, Australia, and North and South America. The submissions ranged from new corporate headquarters, skyscrapers, institutions, sports and transportation facilities, airports, urban planning projects, landscape architecture, sacred spaces, and private residences and multi-family housing designed by architects in their countries of origin or abroad for both built and unbuilt projects alike.

In 2014, over 100 projects were selected by a distinguished jury of New York architects for the prestigious **International Architecture Awards** and will be presented in exhibition at the Istanbul Design Biennial in Istanbul, Turkey. Previous award winners can be seen at the Museum's website at www.chi-athenaeum.org.

For 2015, all submitted buildings and urban planning projects must have been in design stage and / or completed after January 1, 2012. Application forms are accepted online at www.europeanarch.eu.

The deadline for 2015 submissions is DECEMBER 1, 2014.
